

# BUYER ADMIN CAN CREATE A BROWSE CATEGORY FOR SHOPPERS USING KEYWORDS

**Buyer Admin**

I run a fitness studio and want my PTs to blend smoothies with in-season ingredients

But if I use "Lists", then I need to add actual items and keep it updated when item availability changes...

**Set up a browse category with keywords**

**Manage Categories** [Preview] [Publish]

Type	Name *	Search *
Category	Juicing Kit	blender fruit vegetable
Category		

Images: Blender, Vegetables, Bananas, Broccoli, Apples

Buttons: "Blender" "Cups", "Vegetable", "Fruits"

**"Juicing Kit"**

# BUYER ADMIN CAN CREATE A BROWSE CATEGORY FOR SHOPPERS USING KEYWORDS

**Shopper**

I am a PT and I fancy a green smoothie
